SHIPPING AND MARINE

The Nachotta is on the ways at the Suplee shipyard, Portland, and will have her twin propellers replaced with the Chase patent propeller.

The British ship Kelat now at Port Angeles is the only disengaged vessel suitable for grain in the northwest. She has been offered 41 s. which her owner refused.

It was thick outside yesterday with a strong southerly wind. The channel was quite rough.

The British ship Semantha with grain from Portland arrived out at Cardiff on the 29th.

There is little stirring in local marine circles. The tug Wallula went down to the mouth of the river last evening but saw no sail outside and returned.

The new tug boat being built at Portland for the Columbia Mills of Knappa will soon be ready for launching. It will be a powerful and serviceable vessel.

The torpedo-boat destroyer Goldsborough being built by Wolf & Zwicker will soon be ready for her trial spin.

A RARE TREAT

Will Appear at Fisher's Opera House Tomorrow Night.

The Library Association announces that they have secured the Webber Concert Company for tomorrow night. This company is made up of the very best talent, and the library is very fortunate in securing this company. They will give a varied program, consisting of choice selections of vocal and instrumental music, ranging from the classics to the prevailing rag time crazes.

By request Miss Hewett will sing Keating and Catlin's, better known as Kemmet & Udall's, latest song, "As it was of Old." "These two Oregon boys have made a world wide reputation with their songs, among the most popular being "Just One Girl," "Zizzy Zee Zum Zum" and "Just as the Sun Went Down." Judging from the reception which this new song has received, it will rival their ever popular "Just One Girl."

REMEMBER THE OREGON.

ASTORIA, Nov. 22.—Editor Astorian: I see that the matter of raising funds for the presentation of a sword to Captain Charles E. Clark, the commander of our famous battleship "Oregon" has been placed in charge of a committee of Oregonians and the local character has been removed by naming Governor T. T. Geer as chairman of the committee. I would therefore suggest that Mayor Isaac Bergin select a committee of three to collect Astoria and Clatsop county's contributions for Oregon's testimonial to the gallant sailor who did so much to honor our namesake. "Be worthy of the mystic fame these names and mountains bear."
J. H. D. GRAY.

PROHIBITION IN GEORGIA.

A Draconic Measure Passes the Lower House.

ATLANTA, Ga., Nov. 22.—The Willingham bill which provides for state prohibition was passed by the house today. If the bill passes the senate and becomes a law, it means the annihilation of saloons. Every plant for brewing beer or the manufacture of whisky must be closed.

It will not interfere with banquets or private entertainments, but the law will not allow any club to sell or keep for the use of its members intoxicating liquors of any kind.

THE KENTUCKY COUNT.

LOUISVILLE, Nov. 22.—The county election board convened this afternoon and took up the motion to throw out the vote of the city of Louisville. The

county's vote for governor was announced showing Taylor's plurality to be 3,222. After hearing a number of affidavits read the board adjourned until tomorrow.

BANK CLOSED.

MINNEAPOLIS, Minn., Nov. 22.—A special from Yankton, South Dakota, to the Journal says the Yankton Savings bank closed its doors this afternoon. The defalcation of treasurer Peterson, who was known to be a very heavy depositor, caused a run which has been in progress a day and a half.

SIX DAY RACE.

KANSAS CITY, Nov. 22.—Eleven riders today started at a convention in a steady 48-hour bicycle race for the championship of America. The riders will go for eight consecutive hours daily, riding from 1:30 to 9:30 p. m.

FOR HIS SON?

NEW YORK, Nov. 22.—A solid silver loving-cup was received at Tompkinsville today for Rear Admiral Schley from the citizens of St. Louis.

HAYWARD WORSE.

NEBRASKA CITY, Neb., Nov. 22.—Senator Hayward gradually grows worse.

Call for Non-Partisan Assembly.

All electors of the Non-partisan party of the City of Astoria, are requested to assemble at the Court House in the City of Astoria, on November 25th, 1906, at 7:30 p. m. for the purpose of nominating candidates for election, at the coming general election of the City of Astoria.

By order of the NON-PARTISAN EXECUTIVE COMMITTEE.

A POEM ON MANKIND.

Like what is man, but like a sprouting weed,
That grows and ripens but to cast its seed
Among the thistles and the tares of life
And then to see it strangled in the strife?
Or like the clouds that wander with the breeze
And pass unnoticed from a life of ease?
Or like a mushroom, sprung to life,
To starve or strangle in the tangled grass?

These are thoughts that are apt to come to many people at times, especially when they are sick and have to pay big prices for medicine. But there is one drug store in Oregon where you can save from 10 to 25 per cent on everything you buy, and that is J. A. Clemons' Drug Store, at 227 Yamhill street, Portland, Ore. At that store you can get Hood's Sarsaparilla at 70c; Metten's Food, \$1 size, 50c; Bromo Seltzer, \$1 size, 70c, and everything else at the same low rate. You can get red trading stamps there, and if you need the Natural Body Brace, you can get it there.

IMPROVED TOURIST SLEEPERS.

Railroads Are Acceding to Demands of Middle Classes Who Want Better Sleeping-Car Service.

In response to the demands of the times the O. R. & N. and its connections are placing in operation a much better grade of tourist sleepers for Pacific coast service than at any previous time. The largely increased traffic to this section of the country has demanded all the improvements of latter-day transportation, and in consideration of this the railroads are establishing a service which is excellent in every particular. Not only are the wishes of first-class passengers served, but those who are traveling to and from the East on second-class tickets are splendidly cared for. There was a time when a tourist sleeper appealed to a limited number of people who were traveling on the "cheap" order, in every meaning of the term. Now, however, there has been a radical change. With the better tourist sleepers in operation the class of passengers has been improved, and one may now travel upon them and enjoy all the privileges of a first-class sleeper at a greatly reduced rate. Daily, on the O. R. & N. east-bound fast mail, is attached one of these latest improved tourist sleepers, a model of beauty and handsome appointments. The new cars are almost an exact counterpart of the first-class sleepers. One noticeable feature of the new tourist cars is the absence of a smoking apartment. The new cars being built by the Pullman Company are not provided with smoking apartments. This new departure has been taken because of the fact that most through trains are provided with composite cars, which provide a smoker for the sleeping-car passengers.

AGE-END PIANO PLAYING

The Bewitching Planola.

IF "It" is a little word, but it stands in the way of accomplishing a heap of things. How often a person stands by a piano and explaining: "If I could only play magnificently!" When you hear a great pianist, you say: "If I could only play like that!" Well good people, one and all, YOU CAN! You can play exquisitely, brilliantly, with expression, artistically. You can surprise yourself, and you can do all this without previous practice. Use a Planola instead of the old-style hand-playing. By means of a Planola you can play instantly any piece of piano music ever written. The Planola is a separate instrument, but it plays any piano. Drop in at the Occident Hotel and see one. We'll show you how to play. Planolas cost \$250. Easy terms if desired.
